Ongoing Business:

Parking Lot:

As a board we discussed the need to redo our parking lot. Alfred is going to open up discussions with the city about a partnership.

Field Marshalls/Field Security

This past season we had several issues with security so we talked about getting a third-party security. There was a discussion about utilizing parents to be field marshals and hiring police officers to patrol during peak times. We also would like to take back the concessions over. We also could allow the academy or competitive teams to man it and get 15% or 20% of sales. We will bring this up at the next board meeting. We need to investigate using a security company to be present. We also need to have board members sign up for shifts during the season.

Field Numbers

We would like to have field signs to number the fields and we could get sponsors to sponsor a field. We would like to send out sponsorship letters to ask for sponsors. We would need 15- 20 businesses.

Sponsorships – Review applications

We have 89 total scholarship requests. Full or partial scholarships for the fee. \$2500 for scholarships. We can award everything but the NTX Fee. Scholarship deadline is June 30th. We will present scholarship awardees to July 8th for board approval. We will notify everyone by July 12th.

Office Manager Update
